USER EXPERIENCE

VISUALEAD / Product Intern
06.19 - 08.19 / Shanghai, China
Conducted user research on how consumers interact with QR codes to identify unique use cases. Wrote copy for English website.

FEEDBACK STUDY / Course Work
01.19 - 05.19 / Berkeley, California
Researched inadvertent priming by designers on subjects during usability tests to examine how designers can ask questions to receive better feedback.

CORGI-BOT / Course Work
09.18 - 10.18 / Berkeley, California
Conducted extensive interviews at UC Berkeley to explore how students and employees commute to campus. Directed affinity diagramming and brainstorming sessions.

WRITING + TRANSLATION

TRANSLATION / Freelancer
08.19 - present / Remote
Freelancing as a Chinese-English translator. Currently rewriting Chinese fables into English plays for Chinese learners.

DC WEEKENDER / Creative Writer
08.17 - 05.19 / Berkeley, California
Wrote pieces for the Daily Californian's online magazine. Published social commentary pieces, short stories, CNF and personal essays.

OCUSENSE / Course Work
07.18 - 08.18 / Berkeley, California
Interviewed assistive technology specialists to understand daily life of disabled individuals. Analyzed findings and laser cut prototype.

FAVORS + NEIGHBORS / Course Work
06.18 - 08.18 / Berkeley, California
Wireframed mid-fidelity prototype of product aiming to increase interactions among individuals in a community. Created a poster for showcase.

TUTORMING / Freelance Writer
07.15 - 03.16 / Remote
Wrote about Chinese culture for a Chinese language learning platform. Articles focused on origins of idioms in the Chinese language.
